RE: Correction of 2007 Renewal Rates Letter

Dear Ms. Bennett:

This letter is being sent to correct the rate renewal letter presented to the CalPERS Board on June 21, 2006. In that letter, the following benefit modification for 2007 was approved by the CalPERS Board:

- \$50 Rx deductible will apply to only brand drugs – (currently the plan has a \$50 deductible for both generic and brand). (This applies to both basic and Medicare).

A subsequent review of CCPOA Evidence of Coverage booklets by CalPERS staff revealed an unintentional change had been made by CCPOA Benefit Trust Fund staff in the abovementioned benefit. The benefit modification for 2007 should have read:

- \$50 Rx deductible will apply to only brand drugs – (currently the plan has a \$50 deductible for both generic and brand). (This applies to the basic plan).

We regret any confusion this may have caused CalPERS staff and the CalPERS Board and would like to express our appreciation to CalPERS staff for bringing this error to our attention.
